CONTRACTOR AGREEMENT

LANSDOWNE STADIUM LIMITED PARTNERSHIP
("TD Place")

- and -

COLIN ZAPPIA
("Contractor")

WHEREAS, TD Place operates the sports and entertainment complex known as *TD Place*, is agent to the Ottawa REDBLACKS Football Club and the Ottawa 67's Hockey Club and wishes to acquire the services of the Contractor on the terms set out in this contracting agreement ("Agreement").

THEREFORE, for good and valuation consideration of the mutual promises set forth in this Agreement, and which may include experience for the Contractor, the parties hereby agree as follows:

1. Term. The term of this Agreement shall begin on September 20, 2026 ("Effective Date") and will conclude, without a requirement for written notice, on May 20, 2027, ("End Date"), unless terminated earlier as set forth in this Agreement ("Term"). The Term of this Agreement may be extended by mutual agreement between the parties.

2. Services. Where so requested by TD Place from time to time and subject to the TD Place's prior approval, and reporting to Paul Prose, Game Presentation Director, or as otherwise assigned, the Contractor will provide the following services to TD Place ("Services"):

- Broadcast announcer for each home game for the Ottawa 67's.
- Additional services or amendments to the Services may be agreed upon between the parties by written request.

3. Compensation. In consideration for the Services rendered by the Contractor hereunder, TD Place shall pay the Contractor a rate of two hundred dollars ($200) per Ottawa 67's home game worked by the Contractor ("Fees"). Unless otherwise stated, the Fees are inclusive of all expenses incurred by the Contractor in carrying-out the Services. The Contractor may submit additional expenses for reimbursement only in the event TD Place has pre-approved, in writing, such reimbursement. The Fees shall be invoiced monthly by the Contractor, showing the total games worked during the invoiced period.

4. Taxes. All compensation is exclusive of applicable taxes. Each party is responsible for compliance with all applicable taxation legislation with respect to any compensation, including the Fees and any 'in kind' compensation set out herein. It is the Contractor's responsibility to determine whether sales tax (such as HST) will be charged for the Services and if so, it should be shown separately on the invoice. The Contractor agrees to be solely responsible for any and all payments and/or deductions required to be made including those required for Canada or Quebec

Pension Plans, Contract Insurance, Worker's Compensation, Goods and Services Tax or Income Tax. The Contractor agrees to save TD Place harmless and indemnify TD Place for all costs and against all claims for income tax, Canada Pension Plan, Employment Insurance, or other deductions.

5. Equipment. All equipment required by the Contractor to perform the Services will be the responsibility of the Contractor. Notwithstanding, in the event TD Place provides the Contractor with TD Place equipment, the Contractor must take full responsibility for any equipment so provided and return it to TD Place at the end of the Term or when so advised.

6. Subcontracting. The Services will be provided at all times by the undersigned Contractor. The Contractor's duties and responsibilities under this Agreement shall not be subcontracted to any other person or entity, in whole or in part, without the prior written consent of TD Place. If the Contractor's use of subcontractors or third parties is authorized by TD Place, the Contractor shall execute an agreement with subcontractor or third party, which requires compliance with the terms of this Agreement. Such agreement shall provide that TD Place shall have the right to enforce the provisions of such agreement. The Contractor shall at all times remain fully responsible and liable for all acts, omissions and services provided by any subcontractor or third party.

7. Work Product. Including as further set out in the Company's Confidentiality of Information and Ownership of Proprietary Property agreement attached hereto as Schedule A, the Contractor agrees that the creation of the Services is made under a "work for hire" arrangement, and that beginning from creation thereof, all property rights therein shall be assigned to and shall become the sole property of TD Place such that, without limitation, TD Place will retain all interest in and to the Services, including all work product, documentation, and all other intellectual property rights in connection with the Services. The Contractor agrees to immediately disclose to TD Place all inventions, discoveries, intellectual property, ideas, innovations, ideas, developments, improvements, and all processes relating to the operations or business of TD Place made or conceived by the Contractor alone or with others during the term of this Agreement, all of which shall be the exclusive property of TD Place, in perpetuity and the Contractor waives, unconditionally and irrevocably, for the benefit of TD Place, in perpetuity throughout the world, any existing and any future moral rights in any Service provided, including without limitation, the rights to the integrity of the Services provided, the right to be associated with the Services, the right to modify the Services in any way, the right to prevent the use of the Services in association with any other product, service, cause or institution, the right to restrain the publication of the Services throughout the world and any other rights that may be known as or referred to as "moral rights" in connection with the Services throughout the world. Without limiting the generality of the foregoing, TD Place and anyone authorized by TD Place shall have unlimited and exclusive rights, but no obligation, to: (a) exploit the Services provided by any method now or hereinafter known, (b) edit, adapt, or otherwise alter the Services provided, (c) copy, use and license for use the Services provided, (d) incorporate all or part of the Services provided in other work, and (e) publish the Services provided by any other method now or hereinafter known.

8. Termination. Either party may terminate this Agreement at its sole discretion upon providing to the other party fourteen (14) calendar days' advance written notice of its intention to do so, in which instance the Contractor shall be paid for Services provided up to and including the date of termination, and no further and accordingly shall return to TD Place any pre-paid Fees for Services not provided immediately upon the date of termination. The Contractor agrees that TD

Place may terminate this Agreement without notice or any further payment (i) if the Contractor is in breach of any of the terms of this Agreement, (ii) for any theft, fraud, dishonesty, gross negligence or other misconduct on the part of the Contractor involving the property, business or affairs of an OSEG Entity (as defined in Section 11), or (iii) conduct on the part of the Contractor of a nature which, in the opinion of TD Place, would be sufficient or likely to bring, or has brought, TD Place into disrepute, and in either instances no further payment will be made. If the Contractor is a lone individual, this Agreement shall automatically terminate in the event of the death of said individual. In that event, the Contractor shall be paid only for Services provided up to and including the date of termination and accordingly the Contractor's estate shall return to TD Place a prorated portion of the Fees (calculated based on Services provided) promptly upon the date of termination and no further compensation shall be owed by TD Place to the Contractor or to the Contractor's estate.

9. Relationship. The Contractor will provide the Services to TD Place as an independent contractor and not as an employee. Accordingly: (i) the Contractor agrees that TD Place shall have no liability or responsibility for the withholding, collection or payment of any taxes, insurance premiums or Canada Pension Plan contributions on any amounts paid by TD Place to the Contractor or amounts paid by the Contractor to its employees or contractors, if any; (ii) the Contractor agrees that as an independent contractor, the Contractor will not be qualified to participate in or to receive any employee benefits that TD Place may extend to its employees, and TD Place will not withhold and remit income tax, Canada Pension Plan or Employment Insurance on the Contractor's behalf, (iii) the Contractor is free to provide services to other clients, so long as such other clients are not in competition with TD Place and so long as there is no interference with the Contractor's contractual obligations to TD Place, and (iv) the Contractor has no authority to and will not exercise or hold itself out as having any authority to enter into or conclude any contract or to undertake any commitment or obligation for, in the name of or on behalf of TD Place.

10. Confidentiality. The Contractor hereby acknowledges that it has read and agrees to be bound by the terms and conditions of TD Place's Confidentiality of Information and Ownership of Proprietary Property agreement attached hereto as Schedule A and which forms an integral part of this Agreement. If the Contractor retains any employees or sub-contractors of its own who will perform services hereunder, the Contractor shall ensure that such employees or sub-contractors execute an agreement no less protective of TD Place's intellectual property and confidential information than the attached agreement.

11. Media. The Contractor grants full permission to TD Place, and its affiliated, related, or partner entities including the Ottawa REDBLACKS Football Club, Ottawa 67's Hockey Club, and OSEG Foundation ("OSEG Entities") to: (i) photograph and record the Contractor's likeness, voice, name, actions, and statements in video, still image, and audio form (collectively, the "Materials"); (ii) publish any Contractor name, biographical, and professional information (the "Bio Information") along with the Materials (iii) reproduce, perform in public, record, broadcast, translate, modify, adapt, publish, sublicense and otherwise use any photographs, films, audio recordings, digital recordings, or other content featuring the Materials and Bio Information worldwide in perpetuity and in any form of media (now or hereinafter known) including without limitation: social media posts, online video streaming, television, websites, and promotional campaigns. The Contractor waives all rights in the Materials, including without limitation moral rights and any right to inspect or approve the Materials. The OSEG Entities may license or assign the rights provided herein, and the Contractor does not expect notice or compensation if they do so. The Contractor may not film, record or transmit from any TD Place facility, by any means,

without the express written consent of TD Place. TD Place is not providing the Contractor with any promotional, sponsorship or intellectual property of TD Place, or events taking place at TD Place.

12. Representations and Warranties. The Contractor hereby represents and warrants to TD Place that (i) it is not party to any written or oral agreement with any third party that would restrict its ability to enter into this Agreement, including the Confidentiality and Proprietary Information Agreement or to perform the Contractor's obligations hereunder, (ii) that the Contractor will not, by providing the Services to TD Place, breach any non-disclosure, proprietary rights, non-competition, non-solicitation or other covenant in favor of any third party, and (iii) that the Contractor has the requisite training, experience, and ability to perform the Services required by this Agreement and that it will perform said Services in a professional, competent and timely manner. The Contractor covenants to maintain any professional certifications, and related professional insurance coverage, in good standing throughout the Term and will notify TD Place immediately of any change to its status.

13. TD Place Policies. The Contractor agrees to be bound by and comply with all applicable policies and procedures of TD Place, including but not limited to those relating to public health and safety, including those with respect to masking, testing, and vaccination. The terms of any such policy or procedure, which may be unilaterally developed, revised, amended, or revoked by TD Place from time to time, form part of the terms and conditions of this Agreement.

14. Public Statements. The Contractor agrees that it will not, during the Term and after its expiry or termination however caused, directly or indirectly make or encourage the making of any defamatory or disparaging statements about TD Place, or any statements that could reasonably be expected to impact negatively on the name, business or reputation of the Company, including its directors, officers, agents, affiliates and related parties, or employees.

15. Indemnification. The Contractor will indemnify, defend and hold harmless TD Place, its affiliates and related parties, and each of their respective directors, officers, employees, contractors, consultants, agents and advisors from and against all actions, suits, claims, demands, losses, costs, charges, damages and expenses incurred, sustained or claimed, including reasonable legal fees, arising out of or resulting from claims or actions for bodily injury, death, sickness, property damage, or other injury or damages caused by any negligent act or omission, or breach of this Agreement, by the Contractor and those for whom the Contractor is responsible in law.

16. General. This Agreement, including any attached schedule(s), constitutes the entire agreement between the parties pertaining to the subject matter of this Agreement and may only be amended in writing signed by both parties. All previous agreements between the parties are superseded by this agreement as of the Effective Date. All obligations to preserve TD Place's confidential information and intellectual property, ownership of work product, making of public statements, indemnities, and the representations and warranties set forth herein shall survive the termination of this Agreement. This Agreement shall be governed by and construed in accordance with the laws and exclusive jurisdiction of Ontario and the laws of Canada applicable therein. This Agreement shall enure to the benefit of, and shall be binding on, the parties and their respective successors and permitted assigns. Neither party may assign this agreement without the consent of the other.

SCHEDULE A
CONFIDENTIALITY OF INFORMATION
AND OWNERSHIP OF PROPRIETARY PROPERTY ("NDA")

As of the NDA Effective Date set out below, and in consideration of entering into a contracting agreement with LANSDOWNE STADIUM LIMITED PARTNERSHIP ("TD Place") the undersigned ("Contractor") agrees, and covenants as follows:

1. Engagement with TD Place will give the Contractor access to proprietary and confidential information belonging to TD Place, its customers, its vendors, suppliers and others (the proprietary and confidential information is collectively referred to in this document as "Confidential Information"). Confidential Information includes but is not limited to customer lists, marketing plans, proposals, contracts, technical and/or financial information, databases, and software, as well as those items described in paragraph 2 of this NDA. All Confidential Information is and remains the confidential and proprietary information of TD Place.

2. The Contractor may in the course of engagement with TD Place conceive of, develop or contribute to material or information, including without limitation, ideas, marketing plans, programs, techniques, documentation, records relating to the business of TD Place, regardless of whether developed during or outside of working hours and regardless of the form or media, if any, on which such is stored (referred to in this NDA as "Proprietary Property"). TD Place shall exclusively own all Proprietary Property and all intellectual and industrial property and other rights of any kind in or relating to the Proprietary Property. The business of TD Place includes any business activity of TD Place during the term of Contractor's engagement with TD Place, and any business activity contemplated to be undertaken at any time of which the Contractor is aware, or can reasonably be expected to be aware, either during the term of engagement or thereafter.

3. The Contractor shall, both during and after engagement with TD Place, keep all Confidential Information and Proprietary Property confidential and shall not use any of it except for the purpose of carrying out authorized activities on behalf of TD Place. The Contractor may, however, use or disclose Confidential Information that is or becomes public other than through a breach of this NDA. The Contractor shall keep full and accurate records accessible at all times to TD Place relating to all Confidential Information and Proprietary Property, and the Contractor shall return or destroy, as directed by TD Place, Confidential Information or Proprietary Property to TD Place upon request by TD Place at any time.

4. The Contractor covenants and agrees not to bring onto TD Place's premises or make any unauthorized use whatsoever of any trade secrets, confidential information or proprietary property of any third party, including without limitation any trademarks or copyrighted materials, during the course of engagement with TD Place without the express written consent of TD Place.

5. At the request and expense of TD Place (whether during the term of this NDA or otherwise), the Contractor shall do all acts necessary and sign all documentation necessary in order to ensure TD Place's ownership of the Proprietary Property and all intellectual and industrial property rights and other rights in it, including but not limited to providing to TD Place written assignments of all rights to TD Place and any other documents required to enable TD Place to document rights to and/or register patents, copyrights, trademarks, industrial designs and such other protections as

TD Place considers advisable anywhere in the world, without the requirements of further consideration.

6. Regardless of any changes in position, salary or otherwise, including without limitation termination of the Contractor's engagement with TD Place, the Contractor will continue to be subject to the terms and conditions of this NDA and any other(s) executed pursuant to the preceding paragraphs.

7. Any misappropriation or disclosure of any of the Confidential Information in violation of this NDA may cause TD Place irreparable harm, the amount of which may be difficult to ascertain, and therefore the Contractor agrees that TD Place shall have the right to apply to a court of competent jurisdiction for an order enjoining any such further misappropriation and for such other relief as TD Place deems appropriate. This right is to be in addition to the remedies otherwise available to TD Place.

8. This NDA is governed by the laws of the Province of Ontario and the parties agree to the non-exclusive jurisdiction of the courts of the Province of Ontario in relation to this NDA.

9. This NDA shall bind each party's heirs, successors and assigns. TD Place may assign this NDA to any party at any time. The Contractor shall not assign any of his or her rights or obligations under this NDA without TD Place's prior written consent. Any assignment or transfer in violation of this section shall be void.

10. If any provision of this NDA is held by a court of competent jurisdiction to be invalid or unenforceable, that provision shall be deleted and replaced with a provision most closely meeting the intent of the severed provision which is enforceable at law, and the other provisions shall remain in effect.

11. The Contractor has carefully read all of this NDA and agrees that all of the restrictions set forth are fair and reasonably required to protect TD Place's interests. The Contractor has received a copy of this executed NDA.
